Subject: Sample Agreement - Reilly Wendover Transfer

Dear Mr. Rawson,

I'm writing in response to your voicemail inquiry this afternoon regarding a request for a sample agreement form that you might use to accompany the Reilly Wendover permit transfer form. I can only think of one possible transfer circumstance that I will review to see if it might work as a possible guide/reference for your situation.

I will consult with staff and management for other possible documents you might use as well. I'll try and get back to you tomorrow sometime after looking at the example I have in mind.

You might also consider drafting some language outlining specific conditions or stipulations on page 5 of 6 of the LMO transfer form, under the "COMMENTS" section just above the Division Director signature block. Perhaps this would work, if we cannot come up with another solution.

Looking forward to working with you on this matter. Please feel free to call or email me if you have further questions, concerns or ideas in this regard.

Sincerely,

D. Wayne Hedberg
